

EDUCATION

MASSACHUSETTS INSTITUTE OF TECHNOLOGY, PHD IN URBAN AND REGIONAL PLANNING, June 1988.

DISSERTATION TOPIC: Introduction of information systems for municipal property tax management in Tunisia. Awarded Fulbright scholarship for dissertation research.

HARVARD UNIVERSITY, BA IN ECONOMICS, MAGNA CUM LAUDE, June 1980. Phi Beta Kappa. Thesis on valuing benefits of environmental controls. Harry S. Truman Scholar from Massachusetts, 1978.

EMPLOYMENT HISTORY

2004 – PRESENT: SELF-EMPLOYED CONSULTANT on international environmental economics and policy, environmental monitoring, environmental and tourism satellite accounts; see detail below.

2002 –2003: FOUNDING EXECUTIVE DIRECTOR, NEW JERSEY SUSTAINABLE STATE INSTITUTE. Built a new think tank to provide information and objective analysis on sustainability issues in the state of New Jersey, with start-up financial support from the state. Affiliated with Rutgers University and the New Jersey Institute of Technology. Activities included designing a policy analysis program, managing staff updating state sustainability indicators, facilitating consensus on indicator targets, analysis of energy issues, liaison with Board of Governors, fund-raising, etc.

2000 - 2002: WROTE A BOOK ON ENVIRONMENTAL ACCOUNTING, published by Resources for the Future in 2005. **CONSULTED** domestically and internationally on environmental accounting, indicators, and policy; see detail below.

1996 - 2000: IUCN/ THE WORLD CONSERVATION UNION, Global Coordinator, Green Accounting Initiative.

- Director of a project to support integrating the environment into the national income accounts. Carried out case-study based research on use of environmental accounts for policy decisions in ten countries.
- Managed technical activities of four project staff members, a number of consultants, and half million dollar budget.
- Provided economic input into IUCN activities on trade and environment, climate change, forest policy, etc. Analyzed potential for biodiversity prospecting to create markets for forest services.
- Member of UN "Nairobi Group" preparing a manual on environmental accounting and of UN "London Group" revising recommended methods for environmental accounting.

1995: ORGANIZATION FOR ECONOMIC COOPERATION AND DEVELOPMENT, Environment Directorate. Consultant. Worked on the environmental performance review program; participated in New Zealand review and prepared a handbook for OECD members and other countries on how to carry out such reviews.

1992 - 1996: SELF-EMPLOYED CONSULTANT on international environmental policy and economic issues; see detail below.

1988-1991: INTERNATIONAL RESOURCES GROUP, Washington D.C. Management Information Specialist in natural resources division. See detail below.

1982-1988: MASSACHUSETTS INSTITUTE OF TECHNOLOGY, DEPARTMENT OF URBAN STUDIES AND PLANNING. Various research assistant positions while completing masters degree and PhD in urban and regional planning.

1981-1982: ORGANIZATION FOR ECONOMIC COOPERATION AND DEVELOPMENT Environment Directorate. Consultant. Built database on environmental protection expenditures in OECD member countries.

1980-1981: RESOURCES FOR THE FUTURE, Washington D.C. Research Assistant. Identified data sources for US resource accounting project. Conducted literature review on methods for valuing the environment.

CONSULTING ASSIGNMENTS AND OTHER PROFESSIONAL EXPERIENCE

NB: Reports from many of these assignments may be found on the web at <http://www.joyhecht.net>; see list of publications and papers below.

ENVIRONMENTAL ECONOMICS AND POLICY

- Team leader on strategic environmental assessment for Millennium Challenge Corporation program of technical assistance to agribusiness development, Madagascar. 2008.
- Analyzed inbound and outbound Jordanian tourism, based on results of the first National Tourism Visitor Survey. Report presented at a series of workshops for public and private sectors. 2008.
- Analysis of sustainable financing mechanisms to support national parks management in Madagascar, for WWF. Working to introduce "green fees" that will contribute to Biodiversity Foundation. April 2007 to present.
- Environmental Policy Specialist on Biodiversity Assessment and Technical Support (BATS) project for USAID/Africa. October 2006-present.
- Designed and implemented a valuation study for resources of Mount Mulanje, Malawi. June 2005-May 2006.
- Analyzed sustainable park entry fee structures for Great Limpopo Transboundary Park and rationale for allocation of funds between South Africa, Mozambique and Zimbabwe. 2004.
- Wrote information and accounting portion of USAID primer on management of biodiversity. 2001.
- Carried out a comparative analysis of USAID strategies for identifying, monitoring and mitigating environmental impacts of agricultural export promotion and tariff policy reform in Africa, 1994. Followed up on implementation of those strategies in four countries, 1999.
- Assessed legal, regulatory, and institutional frameworks for water resources management for Morocco. 1996.
- Analyzed environmental impacts of international transport and of tariff escalation, for OECD Joint Committee on Trade and Environment. Tariff escalation paper published in *World Development*. 1996.
- Leader and environmental economist on five-member interdisciplinary team that used comparative risk analysis to prioritize Moroccan environmental problems. 1995.
- Environmental economist on analyzing institutional and legal basis for pollution control in Morocco. 1994-5.
- Wrote World Bank's Chad Environmental Strategy Paper. 1993.

ENVIRONMENTAL AND TOURISM SATELLITE ACCOUNTS

- Advised the Jordanian Department of Statistics and Ministry of Tourism and Antiquities on the development of Tourism Satellite Accounts. 2007.
- Assessment of Mongolian tourism statistics and potential for constructing satellite accounts with which to monitor role of tourism in the environment. 2006.
- Assessment of Egyptian Tourism Statistics and potential for constructing Tourism Satellite Accounts, particularly in relation to identifying the role of environmental tourism. 2005.
- Analyzed techniques to collect data for tourism satellite accounts in Egypt. Proposed revisions of national tourism survey to gather rigorous data on ecotourism expenditures. 2004.
- Scoping mission on environmental accounting in Vietnam. Led team of Vietnamese experts to identify strategy for developing and using environmental accounts. 2004.
- Participant in "London Group" team developing revised UN manual on environmental accounting. 2001-2.
- Wrote materials on policy applications of environmental accounting, for UN accounting manual. 2000.
- Economist and information management specialist on USAID projects to incorporate environmental assets and services into the Philippine and Indonesian national income accounts. 1991.

MONITORING AND EVALUATION, STATISTICS AND INDICATORS

- Comprehensive analysis of Egypt's environmental statistics system, considering data availability and gaps, institutional and process changes needed, and potential for building environmental accounts. 2004.
- Participant in US Forest Service working group designing sustainability indicators system for the minerals sector. Working with representatives of minerals industry, government, and civil society to design and review indicators. Chaired environmental section of the working group. 2000-04.
- Developed national environmental and sustainability indicators system for the Government of Egypt, on USAID contract. Gathered data and did pilot indicator calculations, as lead-in to implementation of the system. 2001-2.
- Led a team conceptualizing and designing an information system to facilitate "learning from experience" about natural resources management in the Sahel. 1996.

- Led a 7-person team which identified potential environmental impacts of agricultural export promotion and tariff policy reform in Chad; designed a program to track those impacts in real time. 1993. Published in *Ecological Economics*.
- Analyzed provincial and municipal use of spatial information systems to strengthen urban planning and local public management in China. 1993-4.
- Developed a strategic planning process for spatial information systems analysis in African governments, subsequently applied in Ethiopia, Niger, Chad, and elsewhere. 1991.
- Team leader for a review of environmental evaluation and monitoring in USAID's Africa Bureau. 1991.
- Team leader on development of a GIS to analyze land management strategies in the Sahel. Analyzed how the Institut du Sahel (Mali) could support use of GIS for natural resource management in the region. 1990-91.
- Designed and introduced a project-based management information system to strengthen planning and financial accountability for AGRHYMET, a West African organization working on agriculture and meteorology. 1989-90.

PUBLICATIONS, PAPERS AND MAJOR REPORTS

"Strategic Environmental Assessment: Madagascar Millennium Challenge Account Agribusiness Investment Project." Prepared for Millennium Challenge Corporation Assistance Technique aux Agribusiness Centers Project, June 2008.

"How Much Is that Mountain..." In *Africa Geographic*, April 2008 Non-technical article on valuation of Mount Mulanje, Malawi

"Tourism in Jordan: Current Patterns Future Opportunities" Analysis of Jordanian tourism patterns based on the National Tourism Visitor Survey. Prepared for the USAID / Jordan Tourism Development Project. February 2008.

"Introducing Green Charges to Fund Protected Areas In Madagascar: Technical Report" Prepared for World Wildlife Fund / Madagascar. January 2008.

"Implementation Plan for a Jordanian Tourism Satellite Account." Prepared for the Jordan Department of Statistics and the USAID / Jordan Tourism Development Project. December 2007.

"Thirty years of USAID Biodiversity Conservation in Africa: Lessons from the Past and Prospects for the Future." Paper prepared for the Biodiversity Assessment and Technical Support Project (BATS). Spring 2007.

"Compiling a Mongolian Tourism Satellite Account: Phase 1." Study carried out for the USAID Mongolia Economic Policy Reform and Competitiveness project (EPRC). July 2006. On the web at www.joyhecht.net.

"Valuing the Resources of Mulanje Mountain: Current and projected use under alternate management scenarios." Study carried out for the COMPASS II Project/DAI, Blantyre, Malawi. April 2006. On the web at www.joyhecht.net.

"National Environmental Accounting: A practical introduction" In the *Yearbook of Environmental Economics*, 2007.

"Can Indicators and Accounts Really Measure Sustainability? Considerations for the U.S. Environmental Protection Agency." Paper prepared in conjunction with the USEPA Workshop on Sustainability. February, 2006. On the web at http://www.epa.gov/sustainability/other_resources.htm.
